As a member of the Friends of Lilly, I promise to do my part to maintain the mutual trust upon which our club depends by keeping the privacy, safety and discretion of my fellow members in mind. I will:

- not speak of my fellow nudists to a non-nudist under any circumstances. There are Friends of Lilly whose professional and private lives could be damaged or destroyed by the disclosure of nudism. Although we are proud of our club and of social nudism, we understand that non-nudists often have negative perceptions of our simple enjoyment.

- not give out the name, address or other personal information of a fellow nudist without their prior and specific permission. To do so is an invasion of their privacy, and a betrayal of their trust.

- not distribute or disclose, by any means, any club information such as event details, member names or the like, to non-members.

- never take photographs without the prior and specific permission of all the subjects. It is rude, always and everywhere, to take someone's photograph without their permission. I will always defer to the wishes of the Friends of Lilly hosts regarding the permissibility of photography while at their home.

- call the host couple ahead of time to introduce any guest visitors I will be bringing to their home, and make sure I personally introduce the visitors to our hosts and other club members.

- always behave at a Friends of Lilly event exactly as I would at a country club or a clothed resort. I realize that simply being unclothed does not excuse rude, inappropriate or disrespectful behavior.

- embrace social nudism. The Friends of Lilly strongly support family nudism, however, our Friends of Lilly parties are adult oriented in the same way that a clothed cocktail party is adult-oriented. This does not imply that Friends of Lilly events are in any way sexual.

- help maintain a secure, wholesome atmosphere for the practice of social nudism for the enjoyment of all our members so that no one will ever feel uncomfortable or embarrassed by my actions. Sexual activity at any Friends of Lilly event is not welcome and is not what our club is about. We are a nudist club and not a sex club or a swinger's club. What people do in private, outside of Friends of Lilly events, is of course their own business, but Friends of Lilly members expect Friends of Lilly parties to be safe, fun, non-sexual social events and nothing more.
